

Welcome to Alatalo

"A paradise in Savo"

We warmly welcome you and your family to our scenic area!

The yellow vest host is at your service throughout your stay from June 1st to August 31st. He/she will guide you to the place you want and give you advice and guidance on matters in our area.

In the main building are the reception, a small supply store and the host's office, open from 09:00 to 20:00. There is also a children's area on the left side. On the right side is the living room with magazines, a TV and a DVD player.

The Tipula building has kitchen. Electric stove and oven are free for guests for 2 hours. The washing machine, tumble dryer and drying cabinet are available for €3 / use. Make a reservation at the office. There is a dish washing place behind the tipula. There are karaoke dances in the ballroom on weekends, when music and singing may be heard nearby.

The service building in the yard area has toilets and showers, a toilet and shower for the disabled, a childcare facility and a waste disposal facility. Next to the building is a gray water drain. The drinking water point is at the end of the service building,

The barbecue hut is next to the playground. The firewood is outside in a box. Please clean up after use for the next user and remember to be quiet between 23:00 and 7:00.

The garbage shelter and waste sorting point are by entrance road.

The beach area has a sauna and showers for women and men, childcare, facilities for the disabled, toilets, chemical toilet disposal and kitchen. The kitchen has a free electric stove and ovens for guests for 2 hours. Bookings at the office. Saunaranta is a shallow sandy beach, safe and child friendly. You are not allowed to jump from the swimming pontoon. Sauna schedules are visible on notice boards. The family sauna can be booked at the office before the common sauna times. The lean-to with fireplace is on the beach to the left of the sauna. Please remember the silence from 23:00 to 07:00.

The boat landing has boats marked for the camping. Canoes, kayaks and supboards can be rented for 10€ / first hour, the next hours 5€ / hour. You can use the boats and safety vests free of charge. Don't forget to ask for the key and bottom plug as well. You can also get fish tags, fishing lines and an anchor from the office. Please leave the boats and other equipment you borrowed tidy for the next boaters.

The summer water point is on Kaivotie halfway between the cabin and the sauna.

Nearby areas have good paths for jogging and cycling (borrow bikes at the office). There is a 5- and a 3-kilometer forest trail marked with colored ribbons. Ask for an area map at the office. There is a village pub bar at Jännevirta, roughly 3km away. The nearest shopping center, ATM and pharmacy are in Vuorela, 10km away towards Kuopio.

Pets are welcome in the area. Please keep pets leashed and walk them outside the area. On the right right-hand side of the beach there is a swimming area for dogs.

Prices for your stay: May 1st to September 30th 40€ / night. From November 1st to the end of April 45€ / night. The prices include electricity. Every 5th night of stay is free of charge. Prices listed here may be subject to change.

Electricity: Only 2.5mm² caravan electrical cord with euro plugs can be used. Adapters or connecting wires are not allowed. You can buy or rent appropriate cable from the office. Other connections are prohibited and can be removed by the host. When using extra electricity in the summer, contact the office first. Charging of electrical cars is not allowed.

SF-Caravan's order rules and the special rules of our area are followed in our area. The silence is between 23:00 and 7:00. Please notify the host of any disturbing silence violations.

General emergency number: 112

The defibrillator is in the hallway of the service building in the upper courtyard.
